PROFESSIONAL SUMMARY

Web developer with 6+ years of experience building and maintaining business web applications for school management and ERP, using Python, JavaScript, Frappe, and ERPNext. Experience with REST APIs, MariaDB, and supporting production systems across enrollment, billing, payment allocation, grading, and employee access workflows. Progressed from Junior to Senior Web Developer. Current Product Owner work on the school management system and ERP Livro adds product ownership alongside hands-on development.

TECHNICAL SKILLS

Programming: Python, JavaScript

Frameworks: Frappe Framework

ERP: ERPNext, ERP Livro, Role Permissions, User Access Management

Databases: MariaDB

APIs: REST APIs, Online Payments, SMS Billing Gateway Integration

DevOps / Infrastructure: Linux, Docker, CI/CD

Tools: Git

Business Domains: Enrollment, Billing, Payments, Grading, Employee Workflows

PROFESSIONAL EXPERIENCE

Product Owner

Livro Systems, Inc. | January 2026 – Present

- Develop and maintain features on the school management system and ERP Livro, including employee onboarding, offboarding, and user access requests.
- Maintain online enrollment forms and payment allocation.
- Updated the SMS billing gateway from Smart to Globe.
- Delivered updates for enrollment status, tellering, billing, and SMS sent from the school system.
- Own the school management system and ERP Livro, continuing delivery with the team.

Senior Web Developer

Wela School Systems | February 2024 – December 2025

- Delivered tellering and billing features covering payment status, fee allocation, matriculation, discounts, and statements of account.
- Delivered pre-enrollment and enrollment for basic education and college, including enrollment status.
- Maintained grading and SMS billing.
- Configured access for finance and registrar users.

Mid-Senior Web Developer

Wela School Systems | September 2023 – February 2024

- Maintained school billing on live production sites, including ledger adjustments, discounts, and statements of account.
- Updated matriculation so excess discounts are credited to previous balances.

Junior Web Developer

Wela School Systems | March 2020 – September 2023

- Built online enrollment forms for admissions, from 2020.
- Built grade slips and grading rules.
- Built college billing covering matriculation, fees, and the enrollment ledger.
